

Accessing your USM™ external hard drives and 2.5" SSDs has never been easier with Antec's EasySwap USM™ adapter! Compatible with Seagate GoFlex® ultra-portable drives or other 2.5" USM™ compatible or bare drives, Antec's EasySwap USM™ adapter installs easily into your PC's 5.25" drive bay and allows quick & easy hot-swap access to your portable drives. This device also features a stylish black finish that blends in seamlessly with your PC's front panel for discrete operation. With transfer speeds up to a blazing fast 6 Gbps, Antec's EasySwap USM™ is the quickest, easiest way to access your USM compatible or 2.5" SSD storage devices on your PC.
